**Smooth-On, Inc. compliance statement for Regulation (EC) No.
1907/2006 of the European Parliament and of the Council of 18
December 2006 concerning the Registration, Evaluation,
Authorization and Restriction of Chemicals (REACH)**

18 September 2019

We hereby certify that all of Smooth-On, Inc.'s products listed in the chart on page three (3) of this certification, to the best of our knowledge, information, and belief, fully comply with the requirements of the European Union's REACH Regulation- (EC) No. 1907/2006. REACH compliance means that all substances contained in the products:

1. have been registered by us or our suppliers; or
2. are exempted or otherwise excluded from REACH registration; or
3. are exported in quantities below the REACH-reportable quantity threshold; and
4. either (i) do not contain any chemicals listed on the Authorization List or Candidate List of Substances of Very High Concern (SVHC) (27 June 2018 Revision), or (ii) do not contain any chemicals on the Candidate List of SVHC in concentrations greater than 0.1%.

Observance of these prescriptions is also demanded from our suppliers and is continuously monitored.

We have appointed CAPLINQ Europe B.V. as our "Only Representative," as defined under Article 8 of the REACH Regulation, who acts as the importer pro forma of Smooth-On's REACH-registered substances.

Only Representative CAPLINQ Europe B.V.

IMPORTANT: This certification only pertains to your supply of products from Smooth-On, Inc. If you also import identified substances from other non-EU suppliers, you must register such tonnage separately with ECHA or have the non-EU supplier appoint a REACH-Only Representative to register the substances.

We will continue to keep our customers informed of any future changes.
